

## SAFETY DATA SHEET

### 1. Producer and Distributer identification

Product Name: **SHAMPOO**

Manufacturer's Name: YANGZHOU H&R PLASTIC DAILY CHEMICAL CO.,LTD

Manufacturer Address: #188,XINGYUAN RD, HANGJI TOWN, GUANGLING DISTRICT, YANGZHOU, JIANGSU, CHINA

Telephone Number +86 15050737823

Fax number +86 514 87493933

### 2. Composition/Information on Ingredient:

| INCI NAME                | CAS NO.    | Effect               |
|--------------------------|------------|----------------------|
| Water (Aqua)             |            | Diluent              |
| Ammonium Laurly Sulfate  | 2235-54-3  | surface active agent |
| Cocobetaine              | 68424-94-2 | surface active agent |
| Cocamide DEA             | 68603-42-9 | surface active agent |
| Citric Acid              | 77-92-9    | chelating agent      |
| Fragrance                |            | Perfume              |
| Methylcroisothiazolinone | 26172-55-4 | antiseptic           |
| Methylisothiazolinone    | 2682-20-4  | antiseptic           |
|                          |            |                      |

Allergen Components Name (over 0.001%)

Chemical Characteristics: Inert

### 3. Physical & Chemical Properties:

Appearance :Transparent liquid

Odor Match Standard

Color Match Standard

Boiling Point /Boiling Range (°C) N.A.

Decomposition Temperature (°C) N.A.

Flash Point (°C) Void

Spontaneous Temperature Void

Explosion Limits Void  
Vapor Pressure Void  
Vapor Density Void  
Solubility in Water : Partly dissolved

#### **4. Hazards Identification:**

Major Hazard Effect  
Hazard Warnings for Health: Skin Allergies / Eye contact / Ingestion  
Hazard Warnings for Environment: No obvious impact  
Physical and Chemical Dangerous: It is an inert product, no obvious dangerous  
Special Harm: Eye contact / Ingestion  
Major State: Vomiting / Feel a little painful  
Hazard Category: Low

#### **5. First-Aid Measures:**

Eye contact Rinse opened eye for several minutes under running water and seek medical assistance if necessary. Remove contact lenses before flushing.  
Skin contact Rinse with warm water  
Inhalation Remove to fresh air. If breathing is difficult, give oxygen.  
Seek medical attention.  
Ingestion do not induce vomiting. Rinse mouth with water and then drink plenty of water.  
Consult medical personnel if any  
Symptoms develop.

#### **6. Fire Fighting Measures:**

Extinguishing Media Water haze, dry chemicals, carbon dioxide or foam.

#### **7. Accidental Release Measures:**

Personal Protection: Put in a suitable position, keep out of children.  
Environmental Protection: Plenty of water, no high collection.  
Methods for Cleaning Up: Wash with plenty of water.

#### **8. Handling & Storage:**

Handling: Seal well, Fire Protection, Damp-proof  
Storage: Put in cool & dry place

#### **9. Exposure Control and Personal Protection:**

Engineering Control: Sun-proof / Damp-proof  
Control Factor: -20 to 45 degrees centigrade

Personal Protection Equipment: Protective Clothing, Respiration & Gloves

**10. Stability & Reactivity:**

Stability: Stable under normal temperatures and pressures.

Special Conditions of Hazardous Reaction: Ingestion, Vomiting, Irritations, eye contact

Conditions to Avoid: Keep out of reach of Children. With obvious mark.

Incompatibility: Void

Hazardous Decomposition Products: Alkanes

**11. Toxicological Information:**

Acute Toxicity: Void

Local Effects: No obvious symptom

Sensitive: No obvious symptom

Chronic: Void

Exceptional Effect: Void

**12. Ecological Information:**

Possibility of Environmental Impact/Move: No obvious impact

**13. Disposal Information:**

Disposal Information: Cover, deal with by special institution.

**14. Transport Information:**

International Transport Regulation: Products are not classified as dangerous for transportation.

Special Transport Way and Note: Sun-proof / Damp-proof

**15. Regulatory Information:**

Apply Regulation: FDA, (EC) 1223/2009

**16. Other Information:**

N/A- Not applicable
