Z6100(Decal)

<b>ITEM #(S)</b>	Z3100(Decal) – Torso Length , Z6100(Decal) – Full Length		
<b>DESCRIPTION</b>	Lightweight, shatter-resistant shields offer ideal protection from clubs and thrown objects such as bottles, bricks and rocks. The shock absorbing foam pad provides maximum protection for the user's forearm and hands. The Velcro® release nylon arm strap is fully adjustable yet secure enough to stay fastened during tactical maneuvers. Shields feature superior optical quality and workmanship and an ergonomic handle which allows two-handed use for extreme circumstances. The handle and break away strap are dielectric to prevent electrical pass through and can be reversed for left or right hand use. The wide nylon arm strap is easily adjustable while in use.
