SECTION VIII – Exposure Controls/Personal Protection

Specified Respiratory Protection: None required or normal usage.

Ventilation Required: None required for normal usage.

Protective Gloves: None required.

Eye Protection: None required for normal usage. Keep out of eyes.

Other Protective Equipment: None

SECTION IX – Physical/Chemical Properties
--

Physical Form: Viscous Liquid	pH: 8.0 – 9.0
Color/Appearance: Pink Opaque Lotion	Odor: Floral Fragrance
Specific Gravity: 0.95 ± 0.02 g/cc	Viscosity at 25°C: 1,800 – 6,000cps
Vapor Pressure (mm Hg): N/A	Vapor Density (AIR=1): N/A
Water Solubility: Water dispersible	% Volatility: No Data

SECTION X – Stability and Reactivity

Stability: Product is stable.

Hazardous Polymerization: Will not occur.

Incompatibility (materials to avoid): None known.

Hazardous Decomposition Products: Carbon Dioxide, Carbon Monoxide and other oxides may be generated as products of combustion.

Conditions to Avoid: Protect product from extreme heat and freezing.

SECTION XI – Toxicological Information

Luster Products, Inc.

Medical Conditions Aggravated by Exposure: None known

SECTION XII – Ecological Information

No data is available on the adverse effects of this material on the environment. Large quantities should not be discharged into waterways to prevent pollution of the waterways.

SECTION XIII – Disposal Considerations

Dispose of waste according to Federal, State and local Regulations. Empty containers can be disposed of in the trash or recycled if facilities exist. Contact a licensed waste management company for disposal of a large number of filled containers.

SECTION XIV – Transport Information

The following information is presented only as a guideline as shipping regulations frequently change. The shipper is responsible for checking the current regulations.

U.S. AND INTERNATIONAL SHIPPING

This product is not regulated.

SECTION XV – Regulatory Information

This product has been classified according to the hazard criteria of the CFR and the MSDS contains all the information required by CFR.

SECTION XVI – Other Information

The above information is based on the data available to us and is believed to be correct as of the date issued. However, NO WARRANTY expressly implied or otherwise, is made to the accuracy or suitability of this information to the purchaser's intended purpose. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, we do not assume any responsibility for the results of its use. Use this product only as directed. For further information concerning product safety and use, call the number listed on the front of the MSDS.
